DEW21 E — BIKE Festival Dortmund presented by SHIMANO

The world's biggest e-bike event is celebrating its birthday! From 01 to 03 April 2022 the fifth edition of the DEW21 E — BIKE Festival presented by SHIMANO will take place in the German city of Dortmund. Over the last four years the festival has gained major importance not only for the bicycle industry itself but more generally for the topics of electro-mobility and climate policy in Germany.

A total of 150 exhibitors present the latest innovations from the world of e-bikes as well as concepts and solutions for sustainable transport, service and logistics. Experts from leading brands are on hand to answer questions from the 60,000 visitors about e-bikes as a modern and environmentally friendly alternative to traditional transport. Dortmund is the place to be when it comes to electro-mobility as a whole, both today and looking to the future. Be at the heart of the action, bring your brand to the city centre of Dortmund and take part in the DEW21 E — BIKE Festival 2022 presented by SHIMANO.
